Certification of Degree Award

The Graduate Division notifies students by mail of formal degree conferral at the end of the quarter in which the degree is conferred. When all degree requirements have been completed, the student may submit this *Request for a Letter of Degree Certification* form. The official *Letter of Degree Certification* bears the Dean of Graduate Division's signature stamp and University Seal, and, for employment and career advancement purposes, is the equivalent of the diploma or the official academic transcript posting. The student may request one copy for personal use, or for direct transmission to another educational institution or employer. There is no charge for this service, but this service will be provided only one time for each degree conferred.
