Corrigendum to “Tools for identifying partisan gerrymandering with an application to congressional districting in Pennsylvania” [Political Geography 76 2020 102069]

Jonathan R. Cervas^{*}, Bernard Grofman

University of California Irvine, USA

The authors regret that we inadvertently switched the plan names “Joint Legislative” and “2018 Court Remedial” in Fig 1 on page 5. The

tables and discussion of plans in the paper are unaffected, with the only error of which we are aware in this figure. We have provided a correct Figure below.
